10 YEAR PERFORMANCE GUARANTEE

The Diamond Link Guarantee

Orbit Design is committed to producing window hinges of the highest quality. The Diamond Link hinge is engineering innovation at its finest, delivering impressive load bearing functionality along with enhanced compression.

Manufactured and independently tested to the highest quality standards the Diamond Link meets UK and international requirements for aluminium, wood and uPVC installations.

The Diamond Link hinge carries a 10 year performance guarantee (subject to the conditions below). In the unlikely event of failure, Orbit Design will repair or replace the product free of charge.

The Diamond Link Maintenance Guide

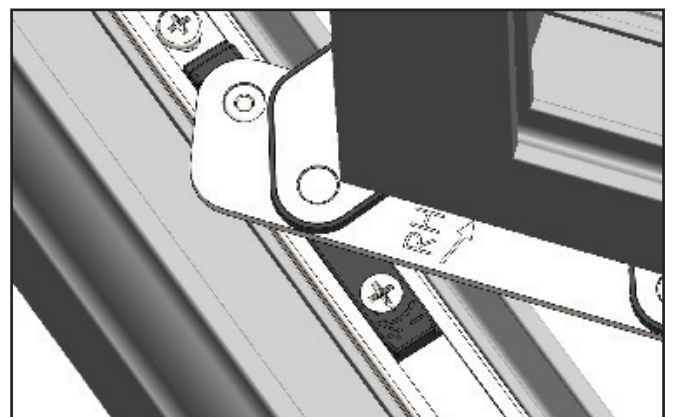

To ensure smooth running, long life and reliable functionality the Diamond Link hinge should be routinely maintained.

Keep the channels free from debris and apply a lubricating oil at least once a year.

Do not apply penetrating oils or use toxic cleaning materials.

Conditions of Guarantee:

- Hinge must not have been modified in any way
- Hinge must have been fitted by a trained window fitter
- Hinge must be correctly maintained throughout the 10 years
- Hinge must not have been subjected to toxic cleaning materials
- Hinge must not have been exposed to excessive wear and tear or aggressive handling.
